

REGINA WEST ZONE COMMUNITY SOCCER ASSOCIATION

REFEREE INFORMATION 2024

Honorariums

Individuals performing the duties of referees on behalf of RWZCSA are provided with a per-game honorarium to thank them for their time and commitment. The honorarium is provided based on the skills and abilities of the referee and the level of game they are capable of officiating. The per-game honorarium is provided only when a reasonable attempt was made to fulfill the responsibilities of a referee according to the instructions provided and the rules of soccer and the honorarium may be withheld when in the opinion of the league executive little attempt was made by the individual to fulfill the responsibilities and duties of a referee. All referees are considered to be independent contractors and are not employees of the association.
